

Setting Up Your Own Realm

(The easiest way to play online with friends – no hosting needed.)

What you'll need:

- A paid Minecraft account.
- A Realm subscription (available in-game).

Steps:

1. **Open Minecraft** and log in.
2. From the main menu, click **Minecraft Realms**.
3. Select **Buy a Realm**.
4. Choose a subscription (30 days or 180 days).
5. Once purchased, click **Create New**.
6. Pick your world type:
 - Upload an existing world, or
 - Create a brand new world.
7. Once created, click the **Players** tab.
8. Enter your friends' Minecraft usernames and click **Invite**.
9. Your friends will receive an invite next time they log in.

Friends play for free only the host pays.
