

Welcome to History Alive with Learn Laugh Play

When joining the class, it would be useful to have our history timeline cut out and stuck together. We refer to this and add labels for each new topic that we learn. You do not need to write anything on the timeline, just cut the three rectangular sections out and stick them together in one long strip (the order is A, B then C) as per the picture below.

A

5000 - 2000 BC											
150,000 - 2300 BC						2300 - 800 BC					
150,000	50,000	25,000	3000	2000	1000	900	800	700	600	500	400

B
